## LIONS FAREWELL DINNER IN HONOUR OF MR. & MRS. ARSENEAU

On April 16th, Mr. & Mrs. H. Arsenau were guests of honor at a dinner and social evening arranged by the Lions Club.

Hector and Corinne have lived in St. Albert since 1955 and have both been very active in Community and Church Affairs. Hector served as President of the Lions Club and then went on to District Governor of 37B for 1961-62.

During the course of the evening a leather brief case was presented to Hector by Lion Ed Savoie, while Mrs. Akins made the presentation of flowers to Corinne. Words of appreciation were expressed by

Graham Kristine on behalf of Lions International, by Dr. Cuts on behalf of the local club and by Mrs. Neil Ross on behalf of the ladies.

Hector and Corinne will leave early in May to reside in Thetford Mine, Quebec. Their many friends wish them the best.

### St. Albert to lose a good friend

By: Mary Usher

It is with deep regret, from a selfish point of view, that citizens of St. Al-

bert learn of the imminent departure of Mr. & Mrs. J. H. Arsenau. Mr. Arsenau known as "Hec" to at least half the population of St. Albert, came here in August 1955 as the first manager of the Bank of Montreal Branch here. For many years, in fact from 1937, when the old Banque Canadien Nationale closed here, there was no branch of a chartered bank serving St. Albert and District. In June of 1955, a sub-agency of the main Edmonton branch of the Bank of Montreal was opened. It became a full-fledged

branch with the arrival of Mr. Arseneau  
in August of the same year. Since that  
time, St. Albert has grown from a popul-  
ation of 1200 to around 7,000 at present.  
Even then, new blood was beginning to  
stir in its old veins, and a quickening  
pulse of business interest could be felt.  
Hec Arseneau kept a finger on that pulse  
and served the growing community faith-  
fully and well. He and his wife, Corinne  
have been exceedingly active in various  
community enterprises. A member of the  
Knights of Columbus, the Canadian Legion,  
the Chamber of Commerce, the Community  
League and the Lions Club, Hec was usual-

ly found on the executive of one or more  
of them. He rose to be District Governor  
of District 37B of Lions International  
while here. Corinne is an active member  
of the Altar Society, the Marguerite de  
Youville Auxiliary, the Women's Institute  
and the Legion Auxiliary.

Hector Arseneau was born in Chatham, New  
Brunswick and joined the Bank of Montreal  
in that province in 1929. Since then he  
has had no other employer, save for the  
period spent in the armed forces during  
World War II. He joined the First C.I.B.  
Company of the R.C.A.S.C. at the begin-  
ning of the war as a private, and was  
discharged following wounds sustained in  
Italy in 1944 with the rank of Captain.  
He was mentioned in Dispatches for dis-  
tinguished service and bravery in action.  
Following his convalescence he returned  
to the service of the Bank of Montreal  
in New Brunswick, Quebec and Ontario.  
Prior to his posting to St. Albert, he  
was at the St. Peter and St. James Street  
Branch in Montreal. He married the for-  
mer Corinne Paulin, a C.N. Telegraph's  
morse operator, in 1941.

When he leaves St. Albert the first of  
next month, he will assume the manager-  
ship of the Bank of Montreal at Thetford  
Mines, located in the "Eastern Townships"  
of Quebec about 150 miles east of Mont-  
real. It is a city of about 22,000, the  
centre of Quebec's huge asbestos mining  
and processing industry. We understand  
that the transfer constitutes a consider-  
able promotion, and for this we extend  
our congratulations.

"What about Lionism?" we wondered. There  
is no branch in Thetford Mines "yet" we  
were told! However, a Montreal Lion, on  
learning of the transfer sent Hec an in-  
vitation to attend the Montreal Central  
Meeting on May 9th, with luncheon at  
Dorval International Airport and the  
business session to be held high in the  
air above Montreal in a chartered air-  
craft.

Best of luck, Hec and Corinne! You have  
made a wonderful contribution to the  
life and progress of our Town during the  
eight years you have been with us.

## ST. ALBERT United Church

Anniversary Sunday was observed in St.  
Albert United Church on April 21 upon  
the completion of nine years of worship,  
work, service, and fellowship. Rev. J.W.  
Bainbridge was the guest preacher. Dr.  
Bainbridge was the supervising pastor  
during the years 1956-1957 when Mr. Ralph  
Marshall was the student minister in St.  
Albert and the congregation was in its  
formative stages. Dr. Bainbridge has  
had a ministry of almost one-half cent-  
ury in length.

Dr. Bainbridge selected verses from the  
11th and 12th chapters of the Epistle to  
the Hebrews for his text and spoke on  
the theme of how the church today and of  
the future are the extension and complet-  
ion of the foundations laid in the past.  
Dr. Bainbridge discussed the necessary  
qualities of a healthy church as being  
one that never loses touch with the  
Divine Reality that has called it into  
being, never loses its awareness as being  
the agency by which all of life is integ-  
rated, and never loses its sense of mis-  
sion to reach out in the spread and  
growth of this mission.

The Choir, led by Mrs. P. Upright, clos-  
ed the service with the singing of the  
"Hallelujah Chorus" by Handel.

**DEDICATION SUNDAY** On April 28 the six-  
week youth groups of the congregation  
will participate in the morning service  
as they reaffirm their participation in  
the mission of the church. Please note  
that the summer hour of worship, 9:50 am  
is now in effect.

### LETTER TO THE EDITOR

Dear Editor,

With regards Mrs. Gettling's dilemma over the children ruining her lawn whilst awaiting the bus, I have a solution to offer. Without any intention of being 'narrowminded', if she were to fence off her property, then she would kill two birds with one stone; that is (i) keep her large dog from roaming all over other people's property and thus ruining their lawns, etc, and (ii) keep other people's children from running all over her lawns. I feel I have put the most important one first.

This delightful comedy holds your interest every moment, and the cosmopolitan cast adds extra interest to the production.

**MEET THE CAST**

This week, and in forthcoming editions of the Gazette, we would like to introduce you to the cast.

There are three newcomers to our group who you will find most interesting. Leandre Letourneau will be known by many St. Albert residents, as he is one of those rare specimens in this growing town, a native St. Albertan. Leandre

did some acting in High School and now brings all his talents to use in a fine portrayal of one of the leading characters in the play, Dr. Haggett, a small town doctor, busy with all the usual general practice patients, suffering from common colds, child-birth, etc. His busy life however, does not keep him from taking a keen interest in all the goings-on concerning 'the paintings'.

Andy Kampen came to Canada from Holland in 1952, where he belonged to an amateur dramatics group such as we have here. In his portrayal of the role of Mr. Tallant, a dishonest character, he has just the

right amount of dash needed.

Marrin Galloway is a Grade XI student at Sir Alexander Mackenzie School, and although she has not acted before, she is doing a tremendous job in the part of Susan Haggett, the nineteen year old daughter of the doctor. She is a very simple girl, not concerned at all with all the trouble of 'the paintings', but rather living in her own little world where the grown-ups' affairs cannot reach her.

Next week we will introduce you to more of the cast, and don't forget to bear this date in mind - May 10th and 11th "THE LATE CHRISTOPHER BEAN".

## NEW SCHOOL BUSES

Nearly twenty years of service to the school children of the St. Albert area has been accumulated by Mr. Lafranchise. The occasion was marked in a typical St. Albert fashion on March 29th, when a complete new fleet of buses was put into operation. From a very meager start of one thirty-two passenger unit, Mr. Lafranchise has increased his fleet to six new modern school buses with a seating capacity of 170 students. During the life time of

this service to Sturgeon School Division #24 and more recently to the County of Sturgeon #15, Mr. Lafranchise has travelled over 500,000 miles transporting students to and from school in the St. Albert attendance area. This service has also been extended to the St. Albert School District #3, where there are a further 340 students transported from their residence in St. Albert to the various schools in the district. This new fleet of buses, costing more than \$50,000.00, is but another indication of the foresight and faith in the future development of St. Albert. Mr. Lafranchise has devoted much time and effort into the school bus operation before he has been able to bring the service to the present high standard. He has been very active in the formulation of the local

School Bus Operators Association and at present is on the provincial executive of the Alberta School Bus Operator's Association, an organization formed for the improvement of service to the public and protection of the operators. Congratulations are hereby extended to Mr. Lafranchise.

## SOCCER

Mr. DeLuca is the official representative for the St. Albert Junior Soccer Club in the Edmonton Junior Soccer League. All boys between the ages of 9 and 14 who are interested in joining the St. Albert Soccer Club are invited to attend practises which are held every Saturday morning from 9 to 11 a.m. at the Vital Grandin School. **Office Space for School Boards** The Public School Board will probably solve their office space problem on their own, which means that they will no longer require office space in the Town Hall. Council still hasn't decided regarding space for the Separate School Board. At the next Council meeting, Councillors will take a trip to the new fire hall to study the office space there.

**Industrial Development** This was tabled because Council wanted first to meet with the Industrial Development expert from Eastern Canada, Mr. Stewart. The meeting adjourned at an uncommonly early hour for Council, 9:45 p.m.

**ST. ALBERT  
REACHES FOR  
THE TOP**

The TV Programme "Reach for the Top", which features two teams consisting of four students each, representing two high schools, is seen on Channel 5 Wednesday nights. It has general knowledge type questions and the winning team is awarded the World Book Encyclopedia for their school.

Last wee, a team consisting of Benny Schroeder and Josephine Wilson, from St. Albert High School, and Barbara Perry and Paul Ragan of Sir Alexander Mackenzie School, represented St. Albert against a team from Leduc and Devon High Schools. Our St. Albert team won this first of two rounds and achieved the distinction of being only the third team to reach 350 points.

The second round, which will be broadcast Wednesday of this week, promises to be just as good as last week's. St. Albert's competition this time will be from Fort Saskatchewan and Horse Hills High Schools.

electors of this district for the coming provincial election. Public power, he said, is a big issue during this campaign but the increase in municipal taxes from 14 to 24% in the last ten years will also be a strong point during the election campaign. The oil policy, agriculture, various laws and the educational system were brought forward by Mr. Hunter as the weak points in the Social Credit policy. The nomination for St. Albert's constituency candidate was postponed, due to the fact that the St. Albert Liberals were not informed enough regarding this nomination night. Nomination night will now be April 29th at the Morinville Community Hall.
